disarray. Tommen sits on the Iron Throne, but it is Cersei who rules, supported by Casterly Rock and Highgarden. Thanks to Dorne, the north has become a lawless wilderness.

HBO's hit series A GAME OF THRONES is based on George R R Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A DANCE WITH DRAGONS: AFTER THE FEAST is the SECOND part of the fifth volume in the series. ' Vivid, rich, multi-layered and utterly addictive ' Daily Express

In the aftermath of a colossal battle, new threats are emerging from every direction. Tyrion Lannister, having killed his father, and wrongfully accused of killing his nephew, King Joffrey, has escaped from King's Landing with a price on his head. To the north lies the great Wall of ice and stone - a structure only as strong as those guarding it. Eddard Stark's bastard son Jon Snow has been elected 998th Lord Commander of the Night's Watch. But Jon has enemies both inside and beyond the Wall. And in the east Daenerys Targaryen struggles to hold a city built on dreams and dust.

The last of the Targaryens, Daenerys Stormborn, the Unburnt, has brought the young dragons in her care to their terrifying maturity. Now the war-torn landscape of the Seven Kingdoms is threatened by destruction as vast as in the violent past.

HBO's hit series A GAME OF THRONES is based on George R.R. Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A DANCE WITH DRAGONS: DREAMS AND DUST is the first part of the fifth volume in the series. In the aftermath of a colossal battle, new threats are emerging from every direction. Tyrion Lannister, having killed his father, and wrongfully accused of killing his nephew, King Joffrey, has escaped from King's Landing with a price on his head. To the north lies the great Wall of ice and stone - a structure only as strong as those guarding it. Eddard Stark's bastard son Jon Snow has been elected 998th Lord Commander of the Night's Watch. But Jon has enemies both inside and beyond the Wall. And in the east Daenerys Targaryen struggles to hold a city built on dreams and dust.

For the first time, all five novels in the epic fantasy series that inspired HBO's Game of Thrones are together in one eBook bundle. An immersive entertainment experience unlike any other, A Song of Ice and Fire has earned George R. R. Martin—dubbed “ the American Tolkien ” by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS “ One of the best series in the history of fantasy. ” —Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “ Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild

vision of the very best tale tellers. ” —The New York Times

HBO ’ s hit series A GAME OF THRONES is based on George R. R. Martin ’ s internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A DANCE WITH DRAGONS is the fifth volume in the series.

New threats emerge to endanger the future of the Seven Kingdoms, as Daenerys Targaryen, ruling in the East, fights off a multitude of enemies, while Jon Snow, Lord Commander of the Night's Watch, faces his foes both in the Watch and beyond the great Wall of ice and stone.

The kingdom exists in a state of perilous equilibrium following the death of a monstrous king, a regent ruling in King's Landing, and few claimants to the Iron Throne, until new conspiracies and alliances begin to erupt.

“ The best novel concerning the American pop music culture of the sixties I ’ ve ever read. ” —Stephen King
From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock ’ n ’ roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the ’ 60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “ The wilder aspects of the ’ 60s . . . roar back to life in this hallucinatory story by a master of chilling suspense. ” —Publishers Weekly “ What a story, full of nostalgia and endless excitement. . . . It ’ s taut, tense, and moves like lightning. ” —Tony Hillerman “ Daring . . . a knowing, wistful appraisal of . . . a crucial American generation. ” —Chicago Sun-Times “ Moving . . . comic . . . eerie . . . really and truly a walk down memory lane. ” —The Washington Post
