People often say "realism"  
and think " naturalism "  
instead. Although the two  
could be synonymous as a  
style of painting, "realism"  
refers to a few historical  
movements as well. These  
movements share certain  
aspects, nonetheless they  
mean slightly different  
things, especially with  
regards to individual  
national histories. American

Ever since William Dean Howells declared his "realism war" in the 1880s, literary historians have regarded the rise of "realism" and "naturalism" as the great development in American post-Civil War fiction. Yet there are many problems with this generalization. It is virtually impossible, for example, to extract from the novels

Overview of Realism Realism  
is the polar opposite of  
Romanticism. Realists depend  
on facts and reality, while  
Romantics embrace emotions,  
intuition, and individual  
freedoms of expression. In a  
"David and Goliath"  
scenario, Romantics root for  
David because he has a  
chance, while Realists know  
the data supports that  
Goliath will prevail.

Naturalism, like realism, was a literary movement that drew inspiration from French authors of the 19th century who sought to document, through fiction, the reality that they saw around them, particularly among the middle and working classes living in cities. Theodore Dreiser was foremost among American writers who embraced naturalism.
