ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Designed with You in Mind The ¡Andal program provides practical responses to the challenges today's Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The ¡Andal program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach – Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar – Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary – Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills – Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture – Both "high" and "popular" cultures are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning – MySpanishLab's proven results will be available for fall 2012 courses. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the text + MyLanguageLabs 24-month access (ISBN: 0205672387).

Samples of some supplemental print materials for the second edition of "Anda! Curso elemental" Spanish language textbook and a CD with samples of most of the program's media components.

This one-volume anthology provides a comprehensive analysis of the role that air power has played in military conflicts over the past century. Comprising sixteen essays penned by a global cadre of leading military experts, A History of Air Warfare chronologically examines the utility of air power from the First World War to the second Lebanon war, campaign by campaign. Each essay lays out the objectives, events, and key players of the conflict in question, reviews the role of air power in the strategic and operational contexts, and explores the interplay between the political framework and mil.

Designed with you in mind The ¡Andal program is based on theNational Foreign Language Standards. The five organizing principles (the 5C's) of the Standards for language teaching and learning are at the core of¡Anda!: Communication, Cultures, Connections, Comparisons, andCommunities. Each chapter opener identifies for the instructor where and in what capacity each of the 5C's are addressed. Teaching and Learning Experience The ¡Andal program provides practical responses to the challenges today's Spanish instructors are facing. Its innovations center around three key areas: -Realistic goals with a realistic approach -Focus on student motivation -Tools to promote success The Books à la Carte Edition is an unbound, three-hole punched version of the textbook and provides students with the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class - all at an affordable price. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit:www.mylanguagelabs.com or you can purchase a valuepack of the à la carte text + MyLanguageLabs 24-month access (ISBN: 0205483690).

The Pink Pelican is the story of a young man's obsessive journey to Crete trying to win back a lost love and falling into himself. This book also contains a collection of stories and poetry about death, dreams and clouds.

The Final Book In The Divinity Saga The Earth is breaking open. The wall between the Spirit and Human realm has begun to shatter, allowing darkness to seep in and converge like an epidemic. The End Has Begun.... Even after setting everything in motion by attacking Morning Star first, Cam'ael finally has everything that he's ever wanted in his existence; Starling's love and a family. Cam'ael's happiness is short-lived when he's finally given the harsh and inexplicable truth about why Starling has always been such a unique Chosen. A Fiery Will... Shortly after giving birth, Starling begins to realize what must be done in order to save the world and the future of their children. But having made the the promise to Cam'ael of never sacrificing herself for him, how can she risk it? While the Elders and other warriors see her as a traitor, her friends begin to see her as something more. In every battle and every war there will be sacrifices and betrayals, but if darkness prevails- light will cease to exist.

¡Anda! Curso elemental, 1/e is the first Elementary Spanish book conceptualized from the outset to meet the needs of today's language teachers and learners. In the last few years, classroom contact hours have been reduced drastically, class sizes have increased and students' lives have become busier than ever. Instructors don't have time to cover everything that they feel is needed and more is being asked of them with fewer resources. At the same time, language teachers want to spend as much time exposing students to Hispanic culture and practicing communication as they do with grammar. But, there simply isn't enough time or resources. The result: Many instructors end up galloping through their elementary Spanish text, omitting interesting cultural lessons, to try to give students the broadest grammatical exposure possible. Now they have a new option: ¡Anda! This Books à la Carte Edition is an unbound, three-hole punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class — all at an affordable price.

Did you know that even a newborn baby gains lifelong benefit from story time? Neuro-educational studies have found that the brain is most impressionable to the nuances of languages during the first three years of life, and that the ritual of storytelling enhances problem-solving, decision-making, and even an understanding of abstract ideas. In fact, reading to your young children is more than a shared pleasure; it's an essential routine that is best introduced long before your children express an interest. Now, education specialist Jennise Conley, founder of the Energy and Sciences Education Initiative, presents an indispensable, early-development resource in the form of her whimsical, charming children's book, A Fish, a Frog, and a Gnome: My Favorite Poems. Through three easy-to-read, playful rhymes and vibrant illustrations, this book is certain to help engage children and students in a lifelong joy of reading while helping to sharpen their cognitive abilities and tap into the power of their young imaginations. Presented in large, clean letters with eye-catching, colorful pictures, the three delightful, whimsical rhymes featured in this book will help start an early ritual of reading that is both fun and reader-friendly, while at the same time enhancing cognitive development. Themed around three wishes, the rhymes introduce children to this abstract notion through clear, comprehensible stories. "The First Wish" features a young child who wishes to catch a fish, and instead finds something very different. "The Second Wish" spotlights a bespectacled frog, who wishes that he was a dog with surprising, silly results. "The Third Wish" finds a gnome at home, grumpily sleeping on a piece of foam. In addition, the book features a letter to parents to help them make the most of story time. From instructions on the best practices for reading to newborns to the importance of repetition in the human brain, this instructional letter will enable any parent to make the most out of reading to lend comfort, facilitate the processing of information, and make story time a perennially fun experience for your child. By portraying books as a treasure trove of exciting mysteries and new ideas to discover, you'll share with your children a magical world that will become a natural, and deeply meaningful, part of your child's life.

EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a "student-tested, faculty-approved" review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus, published by the Coordinating Committee of the International Comparative Literature Association. As its predecessor for East-Central Europe, this two-volume history distances itself from traditional histories built around periods and movements, and explores, from a comparative viewpoint, a space considered to be a powerful symbol of inter-literary relations. Both the geographical pertinence and its symbolic condition are obviously discussed, when not even contested. Written by an international team of researchers who are specialists in the field, this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula. The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda. A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries, and provides a geo-cultural account of literary inter-systems which cannot otherwise be explained.
