Series based on the comic book "Anna & Froga" by Anouk Ricard and published by the Sarbacane Editions. It's a fact of life: no one is perfect. But Anna doesn't mind! When you are lucky enough to have a blundering frog, a pretentious dog, a sarcastic cat, and a greedy earthworm as your best friends, life will never be boring!

Anouk Ricard's bold and colorful comics of this quirky, grumpy gang of pals are delightfully weird yet thoroughly realistic in their honest and hilarious portrayal of friendship. Anna, Froga, Christopher the worm, Ron the cat, and Bubu the dog continue their non-adventures with bickering, needling, cajoling, and honest friendship.

"[Anna & Froga is] charming without being precious, hilarious without being overly goofy or random." --School Library Journal In the fifth volume of Anouk Ricard's hilarious modern kids' classic, Anna, Froga, Ron, Christopher, and Bubu continue their non-adventures with bickering, needling, cajoling, and honest friendship. No white lie goes unexposed, no small embarrassment goes unrevealed, no secret is kept. For Christmas, the gang decides to forego shopping malls and make their own gifts for one another; Bubu goes on a retreat to shed a few extra pounds and get in touch with his zen side; a vampire with exceptional Scrabble skills moves in next door; and the five friends embark on an unforgettable trip to Paris, where they stay in an itchy-bitsy apartment. Rarely is friendship treated so realistically and delightfully as it is in the comics of Anouk Ricard.

A group of little people find themselves without a home in this horror fantasy classic Newly homeless, a group of fairies find themselves trying to adapt to their new life in the forest. As they dodge dangers from both without and within, optimistic Aurora steps forward to organize and help build a new community. Slowly, the world around them becomes more treacherous as petty rivalries and factions form. Beautiful Darkness became a bestseller and an instant classic when it was released in 2014. This paperback edition of the modern horror classic contains added material, preparatory sketches, and unused art. While Kerascoët mix gorgeous watercolors and spritely cartoon characters, Fabien Vehlmann takes the story into bleaker territory as the seasons change and the darkness descends. As with any great horror, there are moments of calm and jarring shocks while a looming dread hangs over the forest.

'SOMETHING TO FEAR' CONTINUES! This extra-sized chapter contains one of the darkest moments in Rick Grimes' life, and one of the most violent and brutal things to happen within the pages of this series. 100 issues later, this series remains just as relentless as the debut issue. Do not miss the monumental 100th issue of THE WALKING DEAD!

Join Elise Gravel as she explores the science of some of nature's weirdest and wildest characters—mushrooms! Elise Gravel is back with a whimsical look at one of her family's most beloved pastimes: mushroom hunting! Combining her love of getting out into nature with her talent for anthropomorphizing everything, Gravel takes us on a magical tour of the forest floor and examines a handful of her favorite alien specimens up close. While the beautiful coral mushroom looks like it belongs under the sea, the peculiar lactarius indigo may be better suited for outer space! From the fun-

to-stomp puffballs to the prince of the stinkers—the stinkhorn mushroom—and the musically inclined chanterelles, Gravel shares her knowledge of this fascinating kingdom by bringing each species to life in full felt-tip marker glory. Governor General award winning author Elise Gravel's first book with Drawn & Quarterly, *If Found...* Please Return to Elise Gravel, was a Junior Library Guild selection, and instant hit among librarians, parents, and kids alike. Fostering the same spirit of creativity and curiosity, *The Mushroom Fan Club* promises to inspire kids to look more closely at the world around them and seek out all of life's little treasures, stinky or not!

Anna is less than thrilled to be shipped off to boarding school in Paris, leaving a fledgling romance behind - until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with a longed-for French kiss? "Magical...really captures the feeling of being in love" - Cassandra Clare, author of *The Mortal Instruments* series NPR's Year's Best Teen Reads, 2010. NPR's 100 Best-Ever Teen Novels, Number 53. Cybils Award Finalist for Young Adult Fiction, 2011. YALSA's Best Fiction for Young Adults. 2012 list YALSA's Popular Paperbacks for Young Adults: *Forbidden Romance*, 2012. TAYSHAS Reading List, 2012. Georgia Peach Book Award for Teen Readers, Honor, 2012-13.

Molly Danger, an eternal child with superhuman strength, has protected the citizens of Coopersville, New York, for twenty years, but secrets from her past threaten to destroy everything she has worked for.

An informative and funny deconstruction of how the giants of American capitalism shape our world *Billionaires*, Darryl Cunningham offers an illuminating analysis of the origins and ideological evolutions of four key players in the American private sector—Amazon founder and CEO Jeff Bezos, media mogul Rupert Murdoch, and oil and gas tycoons Charles and David Koch. What emerges is a vital critique of American capitalism and the power these individuals have to assert a corrupting influence on policy-making, political campaigns, and society writ large. Cunningham focuses on a central question: Can the world afford to have a tiny global elite squander resources and hold unprecedented political influence over the rest of us? The answer is detailed through hearty research, common sense reasoning, and astute comedic timing. *Billionaires* reveals how the fetishized free market operates in direct opposition with the health of our planet and needs of the most vulnerable -- how Murdoch's media mergers facilitated his war-mongering, how Amazon's litigiousness and predatory acquisitions made them "The Everything Store," and how the Kochs' father's refineries literally fueled Nazi Germany. In criticizing the uncontrolled reach of power by Rupert Murdoch (in fueling the far right), the Koch Brothers (in advocating for climate change denial), and Jeff Bezos (in creating unsafe working conditions), Cunningham speaks truth

to power. Billionaires ends by suggesting alternatives for a safer and more just society.

Welcome to the charming world of cartoonist Elise Gravel's Notebook, where her imagination runs wild with creatures of all shapes and sizes In the outrageously amusing If Found..., Elise Gravel offers readers a sneak peek into her sketchbook, where colorful monsters, imaginary friends, a grumpy things reign supreme. Meet Donald, who sings off-key; Francine, who likes to eat stones; and Marvin, the man with lots of stuff in his beard. Mixing the real with the fantastical, Elise's drawings exude curiosity, as microbes and mushrooms share the page with speckled pepperpops, gloppers, and floofs. Filled to the brim with vibrant felt marker illustrations, If Found... is not just an exhibition of Gravel's work, but a challenge to young artists to keep a daily sketchbook. She reveals her top tips to becoming a successful illustrator—practice! practice! practice!—while empowering young artists to face their fears of making "ugly drawings." Stop worrying about what makes a drawing good or bad—Elise draws anything and everything and you can too! Translated from the French by Shira Adriance.

Roger Angell, the acclaimed New Yorker writer and editor, steps up with a selection of writings that celebrate a view from the tenth decade of an engaged, vibrant life. Whether it's a Fourth of July in rural Maine, the opening game of the 2015 World Series, editorial exchanges with John Updike, a letter to a son, or his award-winning essay on aging, "This Old Man," what links the pieces is Angell's unique perceptions and humor, his utter absence of self-pity, and his appreciation of friends and colleagues encountered over a fruitful career unlike any other.
