An inspiring gift-edition of poetry and prose from the world's favorite monk-poet In this day of mindless distraction, we're desperate for reasons to put down our phones and reconnect with our spiritual selves. In time for the 50th anniversary of Thomas Merton's death in 1968, *Silence, Joy* is an invitation to slow down, take a breath, make a space for silence, and open up to joy. Poet, monk, spiritual advisor, and social critic, Thomas Merton is a unique—and uniquely beloved—figure of the twentieth century, and this little rosary brings together his best-loved poems and prose. Drawn from classics like *New Seeds Of Contemplation* and *The Way Of Chuang Tzu* as well as less famous books, the writings in *Silence, Joy* offer the reader deep, calming stillness, flights of ecstatic praise, steadying words of wisdom, and openhearted laughter. Manna for Merton lovers and a warm embrace for novices, this slim collection is a delightful gift.

"The ascetics of Scete and the Thebaid in the Egyptian Desert have been more often admired than known or understood. Translations by such scholars as Helen Waddell have done much to restore the true perspective. This new selection from the Latin 'Sayings of the Fathers' (*Verba Seniorum*) has been made by Thomas Merton with a special purpose. It is not only a translation and selection, but a new monastic redaction in the spirit of our own time. Merton has felt free, as a monk, to do what generations of monks before him have done. He has made a wholly independent and original use of material which is the traditional basis of Christian monastic spirituality." -- Dust jacket.
