This comprehensive resource book contains an easy-to-use set of short activities essential for anyone teaching Business English. Reflecting real-life business activities such as emails, noisy telephone conversations, making excuses, negotiating, handling customer complaints and cultural awareness, Five-Minute Activities for Business English helps teachers mirror the pacey feel of the work environment. This book is also of interest to teachers of general English who are looking for stimulating skills-based activities in meaningful contexts and complements both tailored and coursebook-based materials. The four main areas covered are 'Business topics', 'Business communication skills', 'Language work' and 'Exploiting coursebooks'. These areas feature activities on various topics such as money, finance, meetings, negotiations, telephoning, management, marketing, etc.

Business English Frameworks is a photocopiable resource book for teachers of Business English to use with in-service learners of English for business and professional purposes. The book covers a huge variety of business topics and contains 60 photocopiable frameworks, which encourage learners to talk about their own work situation in a structured way. The frameworks can be used in groups, pairs or in one-to-one teaching situations.
