available in the ebook version.

This book probes into the workings of business strategies in former socialist countries in East Asia, Central and Eastern Europe and the newly independent states of the former Soviet Union, which are collectively called 'transition economies'. It provides a rich and in-depth understanding of fundamental, strategic issues confronted by domestic and foreign firms competing in these newly developed markets.

Mike Peng and Klaus Meyer have direct, first-hand, experience of researching and teaching in Europe, Asia and North America. This combined experience makes them uniquely qualified to write this textbook, which offers a comprehensive and accessible introduction to international business that starts from Europe but ultimately encompasses the globe. The text's comprehensive coverage is accessibly arranged around one central question and two core perspectives. The

Read Book Global Strategic Management Peng

central question is a what determines the success and failure of firms around the globe? Institutional and resource-based perspectives are utilised to answer this question. Throughout the text the very latest scholarly research is used to facilitate successful learning of the key concepts, in order to engage students with the historical context and recent global developments. International Business has been shortlisted for the 2011/12 CMI Management Book of the Year award in the ebook category. More information about the CMI and the competition can be found here

Kemel Mellahi's name appears as first author in 2011 edition.

Looking at the question of how firms can compete in a global environment, the authors examine the issues considered central to the study of strategic management in a global context. They deal with a diverse set of important strategic topics by integrating research with practical examples and case studies.
