Take

You have two viable reasons for choosing a product to import or export: you know it will sell or you like it.

Hopefully, you can meet both criteria. That's an ideal business model.

Steps to Starting an
Import/Export Business

Ten steps to successful

Where To Download

exporting. 1. Decide where to sell. Research is vital! Identify the markets with a little desk research. Find the consumption / import figures of products similar to your own and the economic growth rate of a potential new market.
