CSS Grid Layout is the most powerful layout system available in CSS. It is a 2-dimensional system, meaning it can handle both columns and rows, unlike flexbox which is largely a 1-dimensional system. You work with Grid Layout by applying CSS rules both to a parent element (which becomes the Grid Container) and to that element's children (which become Grid Items).

*A Complete Guide to Grid | CSS-Tricks*

Our comprehensive guide to CSS flexbox layout. This complete guide explains everything about flexbox, focusing on all the different possible properties for the parent element (the flex container) and the child elements (the flex items). It also includes history, demos, patterns, and a browser support chart.

An Incomplete Guide to Thanksgiving. This incomplete guide is a bricolage of what I could glean on short notice, about a holiday which no one knows what to think about it yet. It is somewhat random, and not exhaustive, with my focus being on Portland and "on peninsula." It seems that everyone is just trying to get through right now.

It's the latest and hottest technique, made possible only through digital. High Dynamic Range photography is the process of taking several pictures of a scene at various exposures, then merging them into one file. So the entire photo can look crisp and detailed, from highlights to midtones to shadows--and photographers needn't sacrifice any part of their image. And the best way to master this exciting technology is with this thorough, easy-to-follow, and visually spectacular guide. No other title does justice to these cutting-edge techniques, which actually take the viewer into worlds far beyond normal photography--sometimes even beyond normal human perception. Ferrell McCollough, a widely respected photographer, pushes the boundaries and inspires others to pursue their artistic vision, too. The amazing results simply can't be achieved any other way.

Since the passage of the Wilderness Act of 1964, Congress has designated 41 wilderness areas in Colorado, totaling some 3.4 million acres ranging from desert sagebrush to alpine crags. In addition, other undeveloped areas and national parklands have been proposed for wilderness status. In its newly revised second edition, The Complete Guide to Colorado's Wilderness Areas continues to serve as the foremost guide to these magnificent wild places.
