Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . . Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is . . . Jonathan Stroud has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

Through the foggy streets of Victorian London to the deepest countryside, Sherlock Holmes uses his unique powers of deduction in eight thrilling investigations, including the mysteries of 'The Speckled Band' and 'The Reigate Puzzle'. With a captivating introduction by award-winning Jonathan Stroud.

As a massive outbreak of supernatural Visitors baffles Scotland Yard and causes protests throughout London, Lockwood & Co. continue to demonstrate their effectiveness in exterminating spirits. Anthony Lockwood is dashing, George insightful, and Lucy dynamic, while the skull in the jar utters sardonic advice from the sidelines. There is a new spirit of openness in the team now that Lockwood has shared some of his childhood secrets, and Lucy is feeling more and more as if her true home is at Portland Row. It comes as a great shock, then, when Lockwood and George introduce her to an annoyingly perky and hyper-efficient new assistant, Holly Munro. Meanwhile, there are reports of many new hauntings, including a house where bloody footprints are appearing, and a department store full of strange sounds and shadowy figures. But ghosts seem to be the least of Lockwood & Co.'s concerns when assassins attack during a carnival in the center of the city. Can the team get past their personal issues to save the day on all fronts, or will bad feelings attract yet more trouble? Danger abounds, tensions escalate, and new loyalties form in this third delightfully terrifying adventure in the critically acclaimed Lockwood & Co. series. Praise for The Screaming Staircase "This story will keep you reading late into the night, but you'll want to leave the lights on. Stroud is a genius at inventing an utterly believable world which is very much like ours, but so creepily different. Put The Screaming Staircase on your 'need to read' list!" -- Rick Riordan "A pleasure from tip to tail, this is the book you hand the advanced readers that claim they'd rather read Paradise Lost than Harry Potter. Smart as a whip, funny, witty, and honestly frightening at times, Stroud lets loose and gives readers exactly what they want. Ghosts, kids on their own without adult supervision, and loads of delicious cookies." -- Elizabeth Bird, School Library Journal "Stroud shows his customary flair for blending deadpan humor with thrilling action, and the fiery interplay among the three agents of Lockwood & Co. invigorates the story (along with no shortage of creepy moments)." -- Publishers Weekly Praise for The Whispering Skull "An occult portal and its spectral guardian nearly cut short the careers of three rising young ghost hunters in this madcap sequel to The Screaming Staircase (2013). For all their internecline squabbling, the three protagonists make a redoubtable team-and their supporting cast, led by the sneering titular skull in a jar, adds color and complications aplenty. Rousing adventures for young tomb robbers and delves into realms better left to the dead." -- Kirkus Reviews (starred review) "Stroud writes with a fine ear for dialog, a wry sense of humor, and a knack for describing haunted places. Creating tension that ebbs and flows, he slowly builds the dramatic narrative to a resounding crescendo, and he makes the quieter scenes that follow just as compelling." -- Booklist (starred review)

A thrilling new case for London ' s most talented psychic detection agency – from the global bestselling author of the Bartimaeus Sequence. In London, a mysterious and potentially deadly ghost is stalking the halls of St Simeon ' s Academy for Talented Youngsters. It lurks in the shadows, spreading fear and icy cold – and it carries a sharp and very solid dagger . . . The headmaster wastes no time in enlisting the help of ghost-hunters Anthony Lockwood, Lucy Carlyle and George Cubbins. Can Lockwood & Co. survive the night and save the day?

Two brothers, Michael and Stephen MacIntyre, together with their sister Sarah and the local vicar Tom Aubrey, uncover a deadly secret buried near their village. But time is short: can they prevent the awakening of an ancient evil before its powers corrupt them for ever?

A haunting gothic tale by master misery writer John Bellairs--soon to be a major motion picture starring Cate Blanchett and Jack Black! "The House With a Clock in Its Walls will cast its spell for a long time."--The New York Times Book Review When Lewis Barnavelt, an orphan, comes to stay with his uncle Jonathan, he expects to meet an ordinary person. But he is wrong. Uncle Jonathan and his next-door neighbor, Mrs. Zimmermann, are both magicians! Lewis is thrilled. At first, watchng magic is enough. Then Lewis experiments with magic himself and unknowingly resurrects the former owner of the house: a woman named Selenna Izard. It seems that Selenna and her husband built a timepiece into the walls--a clock that could obliterate humankind. And only the Barnavelts can stop it!

A Christmas-themed collection of ghost stories may seem like an odd idea, but English writer Jerome K. Jerome pulls it off in the engaging volume Told After Supper. Pull it out at your next holiday gathering, or read it any time you're craving some spine-tingling short fiction.

Everyone says that Max is drowned, but Charlie thinks differently: she was in the mill-pool with him, and knows exactly what she saw. When she begins to see him in her dreams, her hopes are raised. It seems the reunion she craves is possible. But where exactly is Max leading her? And will she be able to return?

When Emily, Simon and Marcus discover the deserted castle, it seems like an escape from the midwinter snows and their individual loneliness. But their occupation of the ruin quickly takes on a momentum of its own, and soon threatens their friendship, their freedom and their lives.
