New Shoes by Susan Lynn Meyer and illustrated by Eric Velasquez is a fantastic historical fiction picture book that shows how anyone can make a difference in their community. This book is set in the American South during segregation. The main character, Ella Mae, wants new shoes, but faces discrimination at the shoe store.

---

New Shoes by Susan Lynn Meyer - Goodreads

New shoes, which are needed in a dream, are a good sign for your life. They are utilitarian and serve a purpose and therefore they represent issues regarding money and wealth in your life. They also represent how you approach life and will indicate whether or not you are on the right path Often the color of the show is also important and you need to notice that and look up the corresponding color as well for a deeper dream understanding.
