As research in tourism and hospitality reaches maturity, a growing number of methodological approaches are being utilized and, in addition, this knowledge is dispersed across a wide range of journals. Consequently there is a broad and multidisciplinary community of tourism and hospitality researchers whom, at present, need to look widely for support on methods. In this volume, researchers fulfil a pressing need by clearly presenting

of the epidemiological burden of TB (numbers of cases and deaths), as well as progress towards the 2015 targets for global TB control that have been established within the context of the Millennium Development Goals (MDGs). It also includes a thorough analysis of implementation and financing of the WHO's Stop TB Strategy and the Stop TB Partnership's Global Plan to Stop TB, since in combination these have set out how TB control needs to be implemented and funded to achieve the 2015 targets. The report gives particular attention to the period 2006-2009, but selected epidemiological, implementation and financial data are presented for previous years as well. This includes epidemiological data back to 1990 and financial data back to 2002. Bringing
