—PEOPLE Magazine A retired navy officer has vanished in a forest near Stockholm. Kurt Wallander is prepared to stay out of the relatively straightforward investigation—which is, after all, another detective ' s responsibility—but the missing man is his daughter ' s father-in-law. With his typical disregard for rules and regulations, Wallander is soon pursuing his own brand of dogged detective work on someone else ' s case. His methods are often questionable, but the results are not: he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage.
