“I’m so fat.” “I don’t like my nose.” “I wish I was taller.” Our dissatisfaction with what we see in the mirror is what Barb Roose calls our ugly struggle with beauty. It’s a struggle that negatively affects not only our self-image and self-esteem but also our relationships with God and others. What is the answer? We desperately need to regain God’s perspective on beauty. During this six-week Bible study, women will unpack the beliefs or experiences that are holding them hostage. Together they will explore God’s truth about beauty throughout the Scriptures, digging into passages in both the Old and New Testaments and applying the truths in their lives. They will move away from over-focusing on unrealistic expectations and perceived flaws toward God’s viewpoint of their hearts, minds, bodies and souls. As women make this journey, they will:

- Be set free from the trap of comparison and self-ridicule
- Become comfortable in their own skin
- Reach beyond themselves to encourage and support other women
- By learning to see the goodness, blessing, and purpose for their bodies no matter their size, shape, or style, women will overcome discontent and comparison and learn to live fully as the beautifully unique creations God designed them to be.

The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other available components, each available separately, include a Participant Workbook with five days of lessons per week, DVD with six 19-28 minute sessions (with closed captioning), and boxed Leader Kit containing one of each component.

A Large Print edition as a self-study guide and commentary reviewing the Eternal Security and Conditional Security of the Believer. The book takes a pathway from the time before the beginning, through the Old and New Testament of the Bible examining the whole context of the Bible in conjunction with individual verses. Emphasis is on prayer and meditation as the reader is provided the scripture plus personal commentary thus allowing the reader to conclude their own belief regarding their soul's security with God. The core of this study will begin by understanding God's desire for his friendship with Adam, and the results when Adam chose to not honor that friendship. The Bible in its entirety is the recorded history of all the events that transpired as God, through Christ prepared a pathway that would allow mankind to regain their friendship with God. The focus will be directed at the whole of the matter instead of simple comparison of individual verses, done in order to bring the context of the verse into harmony with the entire Bible. In completing this task, the pathway established by Christ to obtain harmony will God should enlighten your heart to the knowledge of the truth. This is a semi-chronological presentation of the scripture for personal edification and knowledge of the Believer. We will even tackle the subject of Judas Iscariot; was he saved and fell from Grace, never saved at all or is there another conclusion to consider? Remember all verses and passages present a truth, but our interpretation of one must harmonize with the whole Bible, or our conclusion is incorrect. If you stare at a Tree, you will miss the glory of the Forest, but we need not understand the Forest completely, as the pathway leads to our desired destination, regardless of our understanding.

We all love the benefits of technology and social media, but even with the incredible upsides, many of us suspect there are unintended negative consequences beyond our control. The more we compare ourselves with others, the less satisfied we are. The more we interact online, the more we crave face-to-face intimacy. The more filtered our lives become, the more challenging it is for us to be authentic. The more information we receive about the pain and crises in the world, the more difficult it is for us to care. In this timely five-session video-based study (DVD/digital video sold separately), New York Times bestselling author Craig Groeschel taps in to some of the most up-to-date studies on social media to help us understand how it affects our emotions, our relationships, our attitudes, and our beliefs. He offers real-life examples to reveal the depths to which each of us battles with social media, how it masks our real struggles, and how we can reclaim a Christ-centered life. He encourages us to regain control over our lives by rediscovering the principles real life with Jesus brings: contentment, intimacy, authenticity, compassion, and rest. #Struggles will show you the ways technology has enslaved you rather than served you and what changes you need to make in your life to restore balance.

internalized. The book's goal is to spur change through the truths found in God's word.

These books of the Bible, despite their differences, all treat the phenomenon of what it means to live wisely before God. In this readable commentary, Ellen Davis points out that the writers of these books considered wisdom--and the fruits of wisdom, a well-ordered life and a peaceful mind--to be within the grasp of anyone wholeheartedly desiring it. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.
