The Songs of Innocence were published by Blake in 1789, and he produced a combined version of Songs of Innocence and of Experience in 1794. The Songs are now often studied for their literary merit alone, but they were originally produced as illuminated books, engraved, hand-printed, and coloured by Blake himself.

The wretched figure of the child sweep is a key emblem in Blake's poems of social protest. Not only are the sweeps innocent victims of the cruellest exploitation but they are associated with the smoke of industrialisation, thus uniting two central Romantic preoccupations: childhood; and the impact of the Industrial Revolution on the natural world.
