Originally published in 1923, this title is a critical examination of Freud 's theory of psychoanalysis. A contemporary of Freud, the author sets out to evaluate his theories in a scientific manner, searching for evidence. The result is a rather scathing review of where this is lacking.

Catalogs a variety of sensationalist, low-budget, grade-B movies, including horror, science fiction, Blaxploitation, porn, and spaghetti westerns

This book is a reprint of the APA manual originally published in 1957. This APA style manual for writers, editors, students, educators, and professionals across all fields provides clear guidance on grammar, the mechanics of writing, and APA style. It includes examples, new guidelines and advice, and more.

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic 'Doomsday Clock' stimulates solutions for a safer world.

The book is compiled with a view to making a ready reference book on the subject for both teachers and students. The book is an up-to-date record in so far as general psychology is concerned.

Buddhism is one of the fastest growing religions in the world today but originated in India over 2500 years ago. This book provides a concise and unbiased view of the whole panorama of Buddhist doctrine, practice and history, from its yogic roots to present day popularity, from basic teachings to the role of mediation, and the difference between principle schools and traditions.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.
