The Origins of Rome Legend says Rome was founded by Romulus in 713 B.C.E, but the origins probably predate this, from a time when the settlement was one of many on the Latium Plain. Rome developed where a salt trade route crossed the river Tiber en route to the coast, near the seven hills the city is said to be built on.

The History of the City of Rome - ThoughtCo
According to legend, Ancient Rome was founded by the two brothers, and demigods, Romulus and Remus, on 21 April 753 BCE. The legend claims that in an argument over who would rule the city (or, in another version, where the city would be located) Romulus killed Remus and named the city after himself. This story of the founding of Rome is the best known but it is not the only one.
